proceedings of the National Committee on Golden Jubilee Celebrations of Independence may not be with the Home Ministry. There was a separate Committee. The hon. Member, Dr. Karan Singh, was the Chairman of the Sub Committee. There are certain proceedings. They are not exactly under the Home Department. If all those things are collected, you will get a lot of material. Will the Government do that?

SHRI L.K. ADVANI: Sir, I will follow up the hon. Member's query with the Department concerned.
